

Bhai Makhan Shah Lubana at Sea

Bhai Makhan Shah Lubana was a devoted Sikh. He was a businessman who would travel by sea with their workers to sell goods.

One day at sea an unexpected storm came and Bhai Makhan Shah's boat got stuck!

With full faith and folded hands he started praying!

All powerful Sri Guru Tegh Bahadur Ji heard his prayers and in an invisible form reached the boat in the middle of the sea.

Guru Ji then lifted the large boat from underneath and placed it on their shoulder!

Bhai Makhan Shah's boat had been rescued and he was so thankful that he wanted to offer 500 coins to Guru Ji!
