

Chote Sahibzaade - Sacrifice

When Wazir Khan decided that the Chote (younger) Sahibzadeh should be bricked alive and killed, nobody wanted to come forward to carry out this cruel punishment on two small children.

Eventually two evil people decided to carry out this punishment.

Many people gathered around to see how evil Wazir Khan could punish two small children. The brick wall started to be built around the Chote Sahibzadeh, slowly getting higher and higher.

The Chote Sahibzadeh carried on reciting Bani (prayers) and remained in Chardi Kala (High Spirits). The wall reached the chests of the Sahibzadeh, Wazir Khan came up to them and told them there is still time to save your lives, just accept our religion and we will take this wall down straight away.

With great strength the Sahibzadeh said we are not scared and we will never give up our Sikh! They roared a loud Jaikarah "Bollehh Soo Nihaaall... Sat Sri Akaaall!"

Baba Zorawar Singh Ji and Baba Fateh Singh Ji carried on reciting Bani until the wall completely surrounded them. All of a sudden a strong wind came and blew the wall down. To everyone's amazement the Chote Sahibzadeh were lying on the floor still breathing. They were then killed by the evil punishers and both became Shaheed.

Mata Gujri Ji also became Shaheed in the cold tower when she discovered the news that the Chote Sahibzadeh had become Shaheed.

We should always remember the Great Sacrifices of the Chaar Sahibzadeh and countless other Shaheed's.

We should always stand up for the truth and try to earn the blessings of our father Sri Guru Gobind Singh Ji who gave up their entire family for us.
