## Bandi Chhor Divasi

	aettel	<b>O</b>	my	Kingdom	

Imagine you are one of the 52 Kings held inside the Gwalior prison.

You have been given the chance to write a letter to your Kingdom and tell everyone your experience in prison and that Guru Hargobind Sahib Ji is going to release you!

## Points to Remember

- The prison guards do not treat any of the kings nicely and they hardly provide any food or water.
  - Gwalior prison is known as the prison where once you are captured, you are never released.
- Once Guru Ji arrives things start to get better and you listen to Kirtan and Katha every day! Guru Hargobind Sahib Ji is going to be released and anyone that can hold onto Guru Ji's Chola can also be released!

- Guru Hargobind Sahib Ji is going to be released and anyone that can hold onto Guru Ji's Chola can also be released!
